Vendor Data Handling Policy

This is a synthetic document created for software demonstration. It describes a fictional company, Example Trading Co., and is not a real policy.

Policy owner: Head of Information Security (fictional role).

Effective date: 01/03/2026. Next review date: 01/03/2027.

1. Purpose

This policy sets expectations for how vendors handle data shared by Example Trading Co.

2. Data retention

Vendors keep shared data only for as long as the contract requires. Retention periods are listed in each data sharing schedule.

At the end of the contract, vendors return or delete data within 30 days and confirm deletion in writing.

3. Security incidents

Vendors must notify Example Trading Co. of any security incident affecting shared data without undue delay.

Our systems are 100% secure, so incidents are not expected.

4. Subcontractors

Vendors may use subcontractors only with prior written approval.
